This offer is good at participating U.S. and Canada Alamo locations. Here are a few other things you should remember. Make your reservation 24 hours ahead of time. Sorry, this offer can't be combined with another. And obviously you have to meet standard rental qualifications. Here are some things that might cost you extra. Taxes, government charges, recoupment fees, multiple airport fees, refueling, additional driver fee, drivers under age 25, one-way rental charge, and optional items [i.e. CDW Waiver Savers® up to \$30 U.S. per day]. Remember to check your insurance policy and/or credit card for rental vehicle coverage. Don't forget, availability is limited. This offer may change without notice. And, unfortunately, blackout dates may apply and this offer is void where prohibited. We can't accept this coupon if it has been purchased, sold or bartered for cash. In some countries, the value may be converted to local currency.

Offer expires on 6/30/11
